- **Stakeholder & Partner Alignment:** Government & Force HQ Liaison (CISF/CRPF), CSR Partnerships, Cross-functional Coordination
- **Clinical Governance & Risk:** Suicide Risk Protocols, Crisis Intervention, Psychometric Assessment, Ethical & Quality Oversight
- **People & Performance:** Workforce Planning (28+ Staff), Team Mentorship, Talent Acquisition, Training & Capacity Building, MIS & Dashboards

PROFESSIONAL EXPERIENCE

Senior Clinical Psychologist & Project Coordinator

Mpower – Aditya Birla Education Trust | New Delhi / Pan-India Jan 2023 – Present

Program Leadership & Government Operations

- Lead operational execution and strategic scaling of large-scale mental health programs in collaboration with CISF and CRPF across Pan-India locations.
- Manage high-level stakeholders across Force Headquarters, Sectors, Ranges, Zonal offices, and field units to translate institutional mandates into practical program plans.
- Coordinate program budgets, resource distribution, administrative requirements, and financial compliance including travel logistics and reimbursements.

Team Leadership & Talent Management

- Direct, mentor, and evaluate a multidisciplinary team of 28+ psychologists and clinical leads deployed across geographically distributed sites.
- Talent acquisition including interviewing, selection, onboarding, project orientation, early-performance monitoring, and succession planning.
- Establish clear KPIs, KRAs, and standardized operational workflows (SOPs) to enhance service delivery quality and team retention.

Clinical Oversight & Quality Assurance

- Provide clinical governance for high-risk protocols, suicide risk evaluations, crisis intervention, and specialized referrals while maintaining strict confidentiality.

- Oversee four core service pillars: psychometric screening, individual counseling, mental health awareness drives, and specialized capacity-building workshops.
- Develop real-time MIS reporting formats, analytical dashboards, and impact evaluation frameworks to guide executive decision-making.

Clinical Psychologist

YourDOST | *New Delhi* Aug 2022 – Jan 2023

- Delivered evidence-based psychological assessments, counseling, and therapeutic interventions for diverse emotional and behavioral concerns.
- Maintained rigorous clinical documentation, case conceptualizations, and ongoing client follow-up protocols within a structured digital mental health platform.

Counsellor

PsyCare | *New Delhi* Aug 2020 – Oct 2020

- Conducted psychological evaluations, structured counseling, and intervention planning while ensuring patient confidentiality and clinical record maintenance.

Clinical Psychology Trainee (M.Phil. Clinical Training)

Multiple Clinical Settings | *New Delhi* 2020 – 2022

- Completed intensive rotations across two rehabilitation centers, two mental health hospitals (OPD/IPD exposure), and an autism care facility.
- Gained supervised expertise in psychiatric assessment, Mental Status Examination (MSE), diagnostic testing, CBT interventions, and multidisciplinary care planning.
